Lack of Independence

We are not independent, impartial, or unbiased because we or our representatives or associates may:

- receive remuneration or other gifts or benefits from the issuer of the product you buy (e.g., commission that we retain); or other third parties for related services provided in connection with the personal advice service (e.g. premium funding, claims or loss adjusting or reinsurance services);
- be subject to direct or indirect restrictions relating to the financial products in respect of which personal advice is provided; or
- provide advice or recommend products issued by entities with indirect ownership links to Aviso Broking which may reasonably be expected to influence the personal advice provided to you.

For more information refer to the sections in this document entitled:

- "What relationships or associations do you have?"
- "How do we manage conflict of interests?" and
- "How are we remunerated for the services provided?"

It is important to note that when providing personal advice, we are required under the Corporations Act to always act in our client's best interests. Our Conflicts of Interest Policy details how we manage conflicts of interest in relation to our services. Access to our Conflicts of Interest Policy is available upon request.

This FSG sets out the services that we can offer you. It is designed to assist you in deciding whether to use any of those services and contains important information about the remuneration we receive, our professional indemnity insurance, and how any complaints you may have will be handled.

By engaging, or continuing to engage us you are, in the absence of any formal written agreement with us, agreeing to the delivery of our services and remuneration as described in this FSG. The agreement between us containing clauses in this document will be binding as soon as we perform services for you after the date you receive this document unless you notify us otherwise in writing. This agreement continues from that time until either party terminates this agreement, or you notify us that you wish to cease to engage us as your broker.

Who are we?

Aviso Broking Pty Ltd (ABN 44 010 468 818) is authorised to provide financial services as a general insurance broker under our Australian Financial Services Licence (AFSL No: 239041). Collectively referred to in this FSG as 'Aviso Broking', 'we', 'us' or 'our'.

	<p>Aviso Broking is majority owned by Envest Pty Ltd (ACN 610 997 138) (Envest) and is a Steadfast Group Limited (Steadfast) Network Broker. We are also a member of the Aviso Group Pty Ltd (Aviso Group). For more information refer to the section entitled “What relationships or associations do we have?” in this FSG.</p> <p>We offer a wide range of insurance products covering business, personal and specialist insurance and can negotiate with insurers, on your behalf, to deliver tailored coverage at competitive premiums.</p>
How can you provide us with instructions?	<p>In order for us to act on your behalf you must provide us with instructions and other information about the services you require. You can give us instructions using the contact details at the top of this FSG. In some circumstances it may be necessary for you to give us instructions in writing. We will tell you when this is the case.</p>
Who is responsible for the financial services provided?	<p>Aviso Broking is responsible for the financial services that will be provided to you, including the distribution of this FSG.</p> <p>Aviso Broking holds a current Australian Financial Services Licence (no. 239041).</p>
What financial services do we provide?	<p>Aviso Broking is authorised to:</p> <ul style="list-style-type: none"> • deal in (including to issue and arrange for others to deal in), and provide personal and general advice concerning general insurance products; and • provide claims handling and settling services. <p>We will do this for you as your broker unless we tell you otherwise. We will seek quotes from the broader general insurance market before making a recommendation. We have arrangements with a number of Australian insurers and underwriting agencies including underwriters at Lloyd’s of London, which enables us to find the right insurance product for you.</p>
What is our relationship with you?	<p>As general insurance brokers, we normally act as your agent when dealing with insurers. When engaged by you to act as your insurance broker, we have a duty to act in your best interests. When you do business with us, you may deal with our employees, or one of our “Authorised Representatives” or “Distributors”.</p> <p>Authorised Representatives are third parties whom we have authorised to provide financial services on our behalf. When you are dealing with one of our Authorised Representatives, their name, contact details and authorised representative number will be disclosed in the document attached to this FSG.</p> <p>Distributors are third parties who we have authorised to deal in specific insurance products on our behalf. They can only provide factual information and are not authorised to provide any advice.</p> <p>Our Authorised Representatives and Distributors are not employees of Aviso Broking.</p>
When do we act for Insurers?	<p>Sometimes we will act under a binder or agency from the insurer. When we act under a binder or agency we will be acting as the agent of the insurer. This means that we represent and act for the insurer, not for you. We will tell you when we act under a binder or agency to arrange your insurance.</p>
Will you receive tailored advice?	<p>Not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you, or issue insurance policies to you or to give you advice about your insurance needs. We will ask you for the details that we need to know.</p> <p>If we provide you with personal advice, we will review and consider your individual circumstances before providing our advice. We may also provide you with a Product Disclosure State (PDS) and/or policy wording and a Statement of Advice (SOA) (if required). You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy.</p>

If we provide you with general advice, we may give an opinion about a product which is not based on a detailed consideration of your individual needs, objectives, or financial situation. When giving general advice, we will give a warning that you should read the relevant PDS and/or policy wording in full and consider whether the insurance product in question is appropriate for your circumstances.

Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances.

Do we provide an Invoice?

We will invoice you for the premium (which may include our commission), relevant statutory charges (including GST) and any fee we charge you for arranging your insurance cover. You must pay us by the due date shown on the invoice.

Your payment of the invoice issued is treated as acceptance of all of the terms and conditions of the associated insurance policy.

Once you have paid an invoice, we hold the premium you pay on trust for you until we pass it on to the insurer. If there is any delay between you paying an invoice and us passing your premium on to the insurer, we may retain any interest earned on the premium during that period. Where a premium remains unpaid, an insurer may have the right to cancel the policy and you may not be insured. The insurer may also charge a premium for the time on risk.

If the premium remains unpaid, your broker may contact the insurer and the insurer may cancel your policy.

How are we remunerated for the services provided?

Type	Amount
Commission paid by insurer	<p>We usually earn a commission from the insurer when we place your insurance.</p> <p>The amount is calculated as a percentage of the premium (including government fees or charges) and is included in the premium quoted to you.</p> <p>Depending on the insurance product, our commission ranges from 0% to 30% of the insurer's base premium (i.e. premium excluding stamp duty, fire services levy, GST or any other government taxes, fees or levies).</p>

The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.</p> <p>Our commission rates for premium funding are in the range of 0 to 6% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will set out in the premium funding contract.</p>
Broker Fee paid by you	<p>We may charge a broker fee when we place your insurance. The amount of any fee we charge may typically vary from 0% to 100% depending on the complexity of your insurance needs and the size of your account with us.</p>

What is the cost of early cancellation and varying insurance?

Our remuneration is payable on the terms of our invoice and is considered fully earned at the time that we issue the invoice. If your insurance contract is cancelled or varied before the expiry of the period of insurance, you will be paid any refunded pro-rata premium received from the insurer (less the commission & broker fees paid to us).

We will retain all of our commission, fees and other remuneration in full in the event of any early cancellation or variation of your insurance contract or adjustment of premium.
